

NO SHOW POLICY

Effective August 18, 2015

We have experienced an increasing number of no shows for appointments. This has disrupted our schedule, making it difficult to fit patients in that need to be seen.

As such, we have had to institute a fee of \$50.00 for patients who do not cancel an appointment at least 24 hours in advance. These fees will not be covered by Insurance. Thank you.

Sincerely,

Richard Giosa M.D.
